Conference call in light of COVID-19

(I know they aren't officially part of the minutes **Helen**, but it might be a good idea when you have a chance to print out some of the various correspondence from MVLS on COVID-19 and library closings and I'll include it with the minutes for background.)

7:07pm Patsy, Jeanne, Lora, Gina, Helen, Susan R.

Most of the meeting focused on how library is functioning during COVID.

All libraries are closed, but pointing patrons to what's available online.

Helen stops down periodically to check voice mail, drop box etc but that's about it. She will put a box of free and don't return them books on the porch along with a printed list of resources. She'll direct Tracey to some housekeeping chores.

--Agreed to have Sue purchase Zoom for us for our next meeting. Length is up to her.

--Voted to pay staff (Helen, JoAnn, Alivia) (Tracey is contractual; not an employee) for their regular hours subject to April review. Patsy/Jeanne

Adjourned 7:51pm.

Stay safe.
